

No.F.15 (45-A)-Agri(Plan)/2020-21/Part/6067-6128
Government of Tripura
Department of Agriculture & Farmers Welfare

Dated, Agartala, the 03/07/, 2023.

Memorandum

For increasing production and productivity of aman paddy crop, Department has taken a massive programme for covering maximum area under aman paddy through "Integrated Crop Management (ICM)" programme during Kharif,2023 to overcome the probable production loss of aush paddy due to scanty rainfall.

As such, all concerned are requested to mobilize all the field functionaries to take up the following measures for rightful implementation of the said programme –

1. No chemical fertilizers other than 6 Kg. Urea / Kani shall be provided to the farmers in kind for utilization as 1st top dressing after 1st weeding.
2. For application of basal dose, farmers have to purchase recommended dose of fertilizers either from departmental sub-seed stores or from any valid licensed fertilizer outlet. Expenses against such purchase of fertilizers shall be reimbursed as per approved financial breakup of the scheme to the farmers through DBT on production of valid cash memo /Cash Receipt.
3. Line sowing with maximum 2 seedlings of 20 days old /hill may be the utmost requisite for consideration of benefits to the farmers under the programme.
4. No area coverage shall be entertained for schematic assistance if transplanted after 15th August,2023.

All the DDAs of the district shall have to submit district wise compiled report on status of raising of nursery bed up to **15th July, 2023 to this end on daily basis.**

This is issued in accordance with the approval of the Govt. vide U.O.No.3481 Sect/ Agri/ Horti dated 01.07.2023.
